PLAN TO CONSTRUCT CANYON HOSPITAL HALTED BY CITY

**Dr. Bishop Refused Permit
to Establish Institution
for Sycamore Road**

The city council last night refused to grant Dr. F. C. Bishop, 1545 East Wilson, permission to establish a hospital and sanitarium at 1457 Sycamore Canyon Road.

Councilman A. H. Lapham made the motion denying the permit to Dr. Bishop. Councilman Dwight W. Stephenson seconded the motion. On roll call, Councilman C. E. Kimlin, who is business manager for a local hospital and sanitarium, declined to vote. Mayor Spencer Robinson also declined to vote, but other members of the council insisted and so he voted against granting the permits, as did all with the exception of Mr. Kimlin, who was marked "not voting."

Protest against the establishment of the hospital and sanitarium was led at a previous council meeting by George B. Woodbury. Residents of the canyon signed a protest against the proposed institution. Attorney Albert D. Pearce represented Dr. Bishop and said it was planned to spend \$250,000 on a hospital and sanitarium, with \$50,000 set aside for the first unit.

Residence Property

At last night's meeting, Councilman Davis declared that the canyon property was too fine a residence section in which to locate a hospital. He also declared that he did not want to be considered as establishing a precedent by voting against the hospital.

Councilman Stephenson declared the present class of patients cared for by Dr. Bishop in need of the kind to receive treatment in the proposed hospital and he, therefore, was opposed to locating the institution in the canyon.

"You can't teach an old dog new tricks," was Mr. Stephenson's comment, as he called attention to the fact that, he said, at present Dr. Bishop's sanitarium takes mental cases.

PENNSYLVANIA CLUB HOLDS PLEASING SOCIAL TIME

**Early Life in Old State Is
Related by Number of
People at Meeting**

The Pennsylvania Club of Glendale met at the new Odd Fellows' hall, corner of Orange street and Broadway, last Saturday night.

There were over eighty participants in all.

A very delightful social time was enjoyed between 7 and 8 o'clock when the members and their friends, all former Pennsylvanians, recounted pleasing incidents in their early life in the old state.

At 7:45 o'clock the committee on refreshments invited all into the banquet room which was very tastefully decorated with sprays of yellow acacia. The banquet tables were wonderfully inviting with their loads of sandwiches of many kinds, cold meats, salads, olives and lots of cakes. Coffee and chocolate were served steaming from the kitchen.

Program Is Given

After the wants of the inner man were fully satisfied, everybody returned to the audience room where a program was rendered. Beginning with America, Miss Nettie B. Campbell of Clarion, Penn., presided at the piano. Little 4-year-old Eleanor Marek then rendered a fancy dance which pleased everybody.

The address of welcome was made by the president of the club, Dr. Francis M. Collier. A song, "The Temple Bells," was beautifully rendered by Miss Gretchen Altpeter. A reading entitled, "How Love Came Flying Through the Window," was humorously rendered by J. P. Reynolds. It was encored.

Two readings, entitled "Hens" and "Mother's Glasses," by Miss Genevieve Marek, received much applause. A piano solo by Miss Nettie B. Campbell was skillfully rendered by Miss Genevieve Marek.

The program closed with a song, "The Land of Sky Blue Water," very sweetly rendered by Mrs. Ray E. DeCamp of Pittsburgh, Penn., who, when encored, gave "The Will o' the Wisp."

Everybody repaired to their homes expressing themselves as having enjoyed a very delightful evening.

The regular weekly meeting of Group 2 of the Glendale Hi-Y society, of which G. This event was originally scheduled to have taken place several weeks ago, but it was postponed on account of the death of Mr. Murphy's sister.

Due to the absence of Carl Seiter, leader of the "Sophomore" group, the two groups were combined last night for the regular weekly lesson.

Another delay in Glendale petition for a bus permit.

Although city officials were given time to understand that the case was closed, the Public Utilities Board of Los Angeles yesterday afternoon informed C. D. No date was announced for their ultimatum.

Hist! Bold Plot to Rob Man of Baby Is Foiled! Sh-h-h!

This is a tale of a hold-up—almost!

W. M. Darden of 204 East Cypress street cobbles in W. L. Floyd's shoe repair shop at 1503 South San Fernando road.

His greatest hobby is his son, "Bill Junior."

Saturday night he took the baby over to the home of his boss to be inspected.

Then he had to come home again.

Darkness enshrouded the left side of Cypress street between Central avenue and Brand boulevard.

An auto coming quietly along the wrong side of the street, flashed off its lights and stopped just behind him.

A man jumped out and started toward him in an arrogant manner.

Suspecting something wrong, Mr. Darden whipped out a revolver, which he happened to be carrying for protection, and confronted the man with it.

A gruff inquiry about a street and the man got hurriedly back into the auto again and it wheeled around and went the opposite direction.

There were three men in it and Mr. Darden is convinced that they mistook his baby for a package in the dark and intended to hold him up—until he changed their minds.

CHARGES AGAINST POLICE CHIEF ALLEN O. MARTIN TO BE HEARD AT COUNCIL MEET THURSDAY NIGHT

**Number of Affidavits on File; Inquiry Ordered by
Municipal Authorities; Department Executive
Declares That He Has Nothing to Fear**

CHARGES were filed against Chief of Police Allen O. Martin at the meeting of the city council last night. At the suggestion of Councilman Dwight W. Stephenson, the charges were not made public. However, the council unanimously voted to hold a public hearing next Thursday, starting at 6 o'clock. Chief Martin declares he will be glad to have the opportunity to "tell what he knows about the people making these charges." He declares he has nothing to fear and will fight to the last to prove that he is being unjustly accused.

Affidavits filed with the city council last night, relative to Chief Martin, it was learned from an authoritative source by The Glendale Evening News this morning, were signed by the following:

CARLOS A. BLIX, former desk sergeant and patrolman, who now is selling carburetors for a local manufacturing firm. He resides at 423 West Maple avenue.

MRS. A. G. SMITH, wife of a local building contractor, who resides at 661 West Lexington drive.

FRANK WALKER, formerly an employee of the Glendale Patrol and Fire Dispatch, who was freed recently on a petit larceny charge by a jury in Police Judge F. H. Lowe's court.

IRA J. HERBERT, principal in the Glendale Patrol and Fire Dispatch with offices at 249 North Brand boulevard.

WALTER E. TRAUTWEIN, motorcycle officer, of 1144 North Adams place.

According to those who have seen the charges, they include allegations of defamatory remarks, "frame ups," language unbecoming an officer, interference with private patrols and sundry other things.

Action Is Forecasted.

It is understood that the city council instructed City Manager William H. Reeves to see that none of the officers concerned is let out prior to a settlement of this most recent squabble and with a division in the ranks, it is said that some action will have to be taken Thursday night.

"Either the chief or more than half of the force of seventeen men will have to go," declared a person who was in a position to know.

To this Chief Martin replied that he has been fighting ever since he was 6 years old and will not quit until the charges have been threshed out.

"I will be glad to tell what I know about these people who have signed these affidavits," he said this morning, pointing to affidavits he had in his possession of an accusing nature.

Boy Poses as Doctor, Magnate; Is Arrested

LOS ANGELES, March 7.—Dapper Toney Mello, aged 15, who arrived here two weeks ago, posing as a practicing physician, oil magnate and "man about town" has been ordered back to the juvenile court and his father's household.

Young Mello after a gay but brief experience in the cabarets and cafes of Los Angeles was arrested by the juvenile authorities on charges of forgery. He is said to have passed several hundred dollars' worth of checks, drawn on a bank in San Leandro, and signed with the name Dr. Charles Miller, his family physician.

Dr. Miller appeared before Referee J. W. Libby of the juvenile court today and urged that the young boy be returned to his "home town" for punishment.

When young Mello arrived in Los Angeles, he is said to have gone to a downtown hotel under the name of Dr. Charles Miller. He exhibited a telegram purporting to be the announcement of an oil strike in Dallas, Tex.

On the strength of these representations the hotel proprietor, taxi-cab companies, and cafe managers cashed checks for him which were returned after two weeks by the San Leandro bank, dishonored.

It was stated by Referee Libby that on condition young Mello make reparation to those he is said to have defrauded, that he should be turned over to the Oakland juvenile authorities. His father's name is said to be Antonio Mello.

BODY OF SUICIDE MAY BE THAT OF EDWARD F. SANDS

WAREHOUSE POINT, Conn., March 7.—Did Edward F. Sands, missing butler-secretary of William Desmond Taylor, murdered film director, commit suicide in Connecticut? An answer to this question is being sought today by state police and other authorities of the state as a result of the disclosure that the body of a man shot to death, apparently a suicide, here, on February 19, bore a startling resemblance to the description of Edward F. Sands as furnished by the police of Los Angeles. The body of the suicide, which was buried a few days ago without identification, may be exhumed if the developments bear out the first impressions as to the similarity between the description of Sands and that of the man found here.

DENY TROUBLE OVER PROVISIONS OF SOLDIER BONUS

WASHINGTON, March 7.—Denying that they are having any trouble over the provisions of the soldier bonus bill, which is being whipped into shape for presentation to the house, republican members of the ways and means committee tried again today to smooth out several tangles of phraseology which are holding up the legislation temporarily. Chairman Fordney of the finance committee was of the opinion that work on the bill would not be completed by republicans during the day so he called off the meeting with democratic members to consider the measure in the form in which it will be laid before the house. This meeting may not be held before tomorrow or Thursday. The republican members said today that the provisions of the bill meet with their unanimous approval, but they have been unable to reach a final agreement on the new section giving advantages of the new bonus plan to the next of kin of veterans who have died since the armistice.

POLITICAL FIGHT AGAINST LLOYD GEORGE HALTED

LONDON, March 7.—Premier Lloyd George, who is suffering from a breakdown and bronchial trouble, was better today. At No. 10 Downing street, the premier's official residence, it was said Mr. Lloyd George expects to be able to leave his bed later in the day. The premier will leave for Criccieth, Wales, tomorrow, if he is able to travel. In the meanwhile the political crisis resulting from the premier's fight with the Tory "die hards" in the coalition party is marking time. It was officially stated no final decision will be announced on the premier's threat to resign until after his return from Wales. High interest centered upon the speech which A. J. Balfour was scheduled to make here today. It was generally expected that Mr. Balfour, who is himself a unionist "Tory" would follow the example of Colonial Secretary Winston Churchill in making a public appeal for political unity. The general belief at present is that Premier Lloyd George will remain in office until after debate is concluded in the house of commons in Great Britain's program in the Genoa economic conference.

LINEUP OF DEMOCRATS ON TREATIES IS UNCERTAIN

WASHINGTON, March 7.—The mathematical uncertainty of the democratic lineup on the four power Pacific treaty continued today to plague both Senator Lodge, the republican leader, and Senator Underwood, who is finding it difficult to maintain his titular leadership of the minority side. The republicans are in the same position that the democrats were with the league of nations fight. Most of the democratic senators have banded together to defeat the treaty unless it is burdened with such reservations as the administration forces declared would virtually destroy it. In the league battle which ended in the rejection of the Versailles pact, most of the republican senators united in attaching a long string of reservations to the league covenant. These the democratic side denounced as destructive, and President Wilson refused to accept them. The republicans now have enough votes to command the majority necessary to defeat reservations, but they cannot force ratification of the treaty itself by the essential two-thirds without adequate democratic support. The revolt against Senator Underwood's leadership is growing. He admits it. Two of the democratic senators whose support he counted on are unavoidably absent, Owen of Oklahoma, who is in Europe, and Trammell of Florida, who was forced to return home by his wife's illness.

COMMENT THAT'S ALL

Death Dealt the Cards
Lineberger Hits Hard
Industries Bring Others
Too Fast a Pace, 'Tis True

By Gil A. Cowan

ALWAYS there is news which doesn't get in all the papers. For instance, yesterday the International News Service leased wire carried two or three late stories which are worthy of comment.

In Newark, N. J., Max Wilkofski, aged 53, drew a royal flush in a poker game—and dropped dead. Max was playing at the home of a friend, Michael Eisenburg.

"Got openers?" asked Mike as the hands were dealt. Max looked at his hand, his eyes popped, his mouth opened and then he lunged forward on the table.

The doctor said his death was due to heart failure.

At Mansfield, Ohio, Mr. and Mrs. Fred Culp are rejoicing today over the miraculous recovery of their baby son who had been pronounced dead last night. The undertaker, called to embalm the baby, noted one of the eyelids twitching. A physician resuscitated the little one.

Most equal to the baby here that is alive although its neck was broken. Such things are so rare that they are matters of more than local news.

Representative Walter F. Lineberger at bat again!

Sedition and disloyalty by aliens in the United States could be punishable by deportation and seizure of their property under the terms of a bill he introduced in the house yesterday at Washington.

In order to keep them in their place, these deported aliens would be subject to ten years' imprisonment and a fine of \$10,000 if they returned to this country without permission.

Thatta boy, hit 'em hard for the fellows who fought sedition in this country.

Stepping into a difficult breach caused by the untimely demise of Congressman-elect Charles F. Van de Water, Representative Lineberger is proving himself to be one of the best lawmakers this district might desire.

Instead of introducing dozens of bills which never left the hopper, he has spoken but little and voted wisely. That is the test of true statesmanship. It isn't what you say, but what you do that counts.

Industries, business blocks and more homes for Glendale made yesterday not only is safe, but sure and it is borne out on every hand.

Only yesterday afternoon it was learned that a large novelty factory has purchased a tract along San Fernando road just south of the city limits and will install a large going concern.

It will employ two score or more workers whose homes will be in Glendale's vicinity. And that isn't all of the story, either. Like attracts like and every new manufacturing enterprise in the San Fernando road industrial district will bring another.

Burbank, plant wizard, struck a responsive chord yesterday when he suggested that children be allowed the freedom of the country until 10 years of age when they could start school right.

On the other hand, the answers by Principal Moyse and Superintendent White were sensible in that they argued our modern civilization demands just what the children are getting. In other words, we are going too fast.

That is, too fast to enjoy life as it was meant to be enjoyed. The thrill of tossing a rock in a rill and seeing the splash has been replaced by slinging a stone at an electric sign and watching the lights go out.

But yearning for nature and the playdays of our yesterdays will never bring back the barefoot boy of the children's hour. Not with the present state of civilization—whatever the latter means nowadays.

Deaths and Funerals

MARSHALL T. RUSSELL.

Marshall T. Russell passed away
at his home at 338 West Wilson ave-
nue yesterday, March 6, 1922, at 8
p. m., at the age of 73 years. He was
born in Carbondale, Illinois, October
19, 1848, and was graduated from
the Chicago University of Law. He
was a writer of merit and was loved
and honored by all who knew him in-
timately.

Mr. Russell leaves a widow, two
sons and three daughters and also a
sister and a brother in Carbondale,
Illinois, and a host of friends in Illi-
nois, Alabama and Missouri. He was
widely known in the south and was
prominent in public life in Phoenix,
Arizona. Funeral services will be
held at the Jewel City Undertaking
company's parlors tomorrow morn-
ing, March 8, at 10 o'clock. Inter-
ment at Forest Lawn cemetery.

The funeral sermon will be
preached by Rev. C. M. Calderwood,
pastor of the Congregational church.

MRS. A. N. DENNING

The many local friends of Mrs. A.
N. Denning, former resident of this
city, will be grieved to hear of her
death at her home in Roscoe on
Thursday, March 2, 1922. Mrs.
Denning succumbed with a severe
case of influenza, which she con-
tracted about ten days prior to her
death. Funeral services were held
on Saturday afternoon.

The deceased will be remembered
by a number of the older Glendale
residents as Miss Ann Grant, she
having lived here for several years
prior to 1913. At that time she mar-
ried Mr. Denning and immediately
moved to her husband's ranch near
Roscoe. Her local home was lo-
cated near the corner of Verdugo
Road and Sixth street, the latter
thoroughfare later being called Colo-
rado boulevard. She was a member
of the First Methodist church of this
city, where she was active in the
young people's work.

Mrs. Denning is survived by her
husband and Dewitt, a 5-year-old
son, both of whom are now ill with
influenza.

POLICE CHIEF CLAIMS HE WILL PROVE CHARGES FALSE

Head of Department Declares
He Welcomes Chance to Tell
Facts to Officials

(Continued from Page 1)
is being kept confidential by mem-
bers of the council, enough was
learned of the affidavits from vari-
ous sources to give their thought.

Blix alleges that Chief Martin
appropriated Ford seats left with
him for identification by the Bur-
bank marshal.

Mrs. Smith's charges already have
been aired before the council in con-
nection with her report of a diamond
robbery and the chief's alleged re-
marks during the investigation.

Frank Walker's affidavit, in brief,
covers his arrest and trial on a petit
larceny charge, and alleges a
"frame up."

Qua Balthazar charges the depart-
ment with inefficiency under Chief
Martin's direction.

Detective Herda sets forth the
charge that Chief Martin ordered the
two detectives to keep order at a high
school party and call on a sick re-
porter, to the neglect of more press-
ing duty.

Ira J. Herbert alleges that the
chief in various ways has hindered
the service of his patrol and tried to
stop it.

Motorcycle Officer Trautwein
swears to the statement that Chief
Martin has defamed his character in
remarks to others.

Council Takes Action

When the charges against Chief
Martin were filed with the city coun-
cil last night, Mayor Spencer Rob-
inson glanced through them and
then asked of the councilmen:

"Well, what do you want to do
about these?"

"Why, Mr. Mayor," said Council-
man Dwight W. Stephenson, "I sug-
gest we set a date for a hearing.
Chief Martin is entitled to an oppor-
tunity to look over the charges and
prepare an answer, if he so desires."

"That's right," agreed Councilman
S. A. Davis. "We should set a date
for a hearing, and, in the meantime,
the chief can go over these papers."

Then came a discussion as to
when the hearing should be held.
Some of the members of the coun-
cil were for holding the inquiry at
once. But it was pointed out that the
police executive was entitled to a
chance to look over the charges, so
motion of Councilman A. H. Lap-
ham, the hearing was set for next
Thursday night, starting at 6 o'clock.

Plan Early Start

"We'll get an early start and then,
perhaps, we'll be able to transact
some other municipal business,"
commented Mayor Robinson.

At the suggestion of Councilman
Stephenson, the charges against the
chief were filed with the city clerk.

"And I suggest that they be not
given out to the public," said Coun-
cilman Stephenson. "Of course, the
city manager and the chief should be
permitted to read the charges, but I
do not believe they should be made
public at this time."

When the council adjourned, the
members met in the committee of the
whole with Chief Martin and City
Manager Reeves, and it is presumed
the charges were the subject of the
discussion.

A number of those who signed the
charges against the chief were
present at the council meeting last
night, prepared, they stated, to tes-
tify if called upon. All who signed
the charges are expected, the council
announced, to be present at the hear-
ing next Thursday night.

Economy Administration Is Richardson's Promise

Friend W. Richardson, state treas-
urer, under the mandate for the Republi-
can nomination for governor of Califor-
nia, has issued the following state-
ment:

"Millions of dollars of the people's
money has been squandered in
building roads under imperfect
plans. Notwithstanding many
years of experience, the highway de-
partment stubbornly refuses to learn
and sticks to a cement slab that al-
ways cracks down under certain soil
conditions. The State Harbor Com-
mission and other bodies appointed
by the Governor are under fire.

"If elected I promise to give the
people an economical administration
and I point to my record as state
printer and treasurer as an indica-
tion of what I will do.

"To effect economy it will be first
necessary to kick out of power the
greedy and reckless political machine
which now dominates the State. Use-
less commissions and unnecessary
officials should be removed from the
pay roll.

"Growing state expenditures are
something to give every taxpayer
cause for alarm. During six years
under Governor Stephens the budget
has jumped from \$25,000,000 to
\$31,000,000. This great increase
has been made without adding a
single new commission. And, notwith-
standing the great increase, the effi-
ciency of the state government has
been weakened. In short the people
are paying more and getting a poorer
administration.

"In the last campaign the Govern-
nor pledged himself to economy. After
election he forgot his pledge and
increased state expense 74 per cent
in two years. Last year when the
great budget was being considered
he pledged the people that the cor-
porations would bear the load of in-
creased taxation. This pledge has
also been violated."

A pinch of salt added to coffee be-
fore the boiling water is added im-
proves its flavor.

If you are as big a man as you
think you are isn't it strange that
the world hasn't found it out?

JOHN ROBERT WHITE SCORES ACTION OF GOVERNOR

Reasons for Not Summoning
Special Legislative Session
Cause for Protest

John Robert White, Jr., of Glen-
dale, member of the assembly from
this the sixty-first district, has ad-
dressed the following self-explanatory
communication to Governor Wil-
liam D. Stephens:

Dear Sir—I have read, in the Los
Angeles papers of March 4, a state-
ment, which purports to be by you,
in which you state that you will not
call a special session of the legisla-
ture to consider reapportionment of
legislative districts.

You state that: "Had congress per-
formed its constitutional duties, a
special session would, of course, have
been necessary for the gains of three
or four congressmen." You, by these
words, criticize congress for failing
in its constitutional duties, and
then say, "I have no reasonable as-
surance that constitutional reapportion-
ment would be passed" by our
legislature.

Is it not your duty, and yours
alone, to call the legislature together,
and to give the legislature a chance
to enact a reapportionment as pro-
vided by the constitution? It cer-
tainly cannot be done unless you
make it possible by calling an extra
session.

Says People Indignant

In view of your statement follow-
ing the last session, that you would
call such a special session for reap-
portionment, our people of the south
are rightfully indignant that by this
inaction you make it impossible for
the legislature to even attempt to
carry out the expressed mandate of
our constitution, and give to all parts
of the state their rightful representa-
tion in the legislature based on a
population basis.

You certainly must be aware of the
tremendous growth of southern Cali-
fornia—and Los Angeles county in
particular. This does not apply only
to population, but also to industry.

This large population, and the di-
versified industries of Los Angeles
county require adequate representa-
tion, and that representation is plain-
ly specified by our constitution. On
a population basis, Los Angeles coun-
ty is entitled to six more assembly-
men, and two more senators.

It is hoped that you will see the un-
fairness of the position you have as-
sumed in this matter, and reconsider
your action, or inaction, and give the
members of the legislature an oppor-
tunity to comply with their oath of
office, namely—"To support the con-
stitution of the state of California."

Very truly yours,
JOHN ROBERT WHITE, JR.

P.-T. Federation to Meet on Wednesday

At the regular meeting of the
Glendale Federation of Parent-
Teacher Associations, of which Mrs.
John Robert White is president, and
which will be held at the Intermedi-
ate school tomorrow afternoon at

the conference to be held on April 4.

Frames Should Fit the Face

Correctly fitting frames are almost as important as correctly
ground lenses. Therefore we take particular pains to make
sure that the frames fit the face perfectly.
The center of the glasses should come exactly opposite the
pupils of the eyes. The glasses should not be too wide or too
narrow. The bridge should fit the nose so well that wobbling
will be impossible. We are experts in the proper fitting of
glasses and our skill is at your service. If the glasses you now
wear do not fit perfectly, bring them to us for adjustment.

We'll Be Glad To Serve You.

MAY FESTIVAL PLAN IS DISCUSSED BY HARRY GIRARD

Gives Details of Project for Glendale; Another Article Will Be Presented

Editor The Evening News—In this, my second article, I give in detail a prospectus and outline for the Glendale May Festival, and Children's Choral Crusade: "And a Little Child Shall Lead Them."

In seeking for something tangible, or I might say "concrete" for an "annual event" to be produced by a municipality there are three objects to be attained, else the result will be failure.

FIRST: Let us for the time being, call it "The Event." If it is to be produced annually there must be a continual and unlimited supply of New Genius, New Enthusiasm, and untold quantities of courageous co-operation; else as time rolls on it will be consumed by the fire of its own ambition.

SECOND: The Event must be so originally artistic, and be of so dignified a nature, that the outside world will take it seriously, even though produced by a city the size of ours.

THIRD: It must be a box office attraction. In other words, "Worth the money." The price of admission. It must possess all the qualities of the successful drama of the stage. It must have pathos, sentiment, action, climax, and last, but not least, comedy. Good, clean comedy. This coupled with and accompanied by good music, presented in the broadest and best manner possible, should put the chances of failure at a minimum.

Gives Example.

To illustrate, let me give an example. Should any leading organized chorus in the city of Glendale give an annual concert, it wouldn't sell ten dollars' worth of tickets in ten years in any other city ten or more miles away. For, no matter how excellent the program rendered, dear Mr. and Mrs. Foreign-Public will say it isn't worth the money, plus the trouble of getting to the city of Glendale, plus the fact that it is purely local, and charity, with them, begins at home, so that is where they will spend their time and their money. At home, on their own local organizations, just as we Glendaleans do.

On the other hand, should you invite the combined choruses of every city from San Diego to San Francisco to visit Glendale for a week and stage a singing contest, for a worth while prize, they would accept and come by the hundreds, perhaps by the thousands, and bring their own audience with them. This is where the several federations and their Glendale representatives would find in their good work. They should also invite the orchestral organizations, the male choruses and glee clubs, and the bands, especially the brass bands. And you won't need a large civic auditorium either, that is the first year. The High School auditorium can be used. Likewise the Chamber of Commerce, the Shriners' Auditorium, the Methodist Church, and the Glendale theaters. Simultaneously give five contest concerts for the ladies' singing societies, starting Monday and ending Friday night. Simultaneously have the men's glee clubs give five contest concerts in the Chamber of Commerce auditorium. Likewise rent the Glendale theaters for the week and give your orchestral and band contests each night from 8:30 to 10:30. In these combined auditoriums you have a total seating capacity of five thousand or more.

Gigantic Jubilee.

Now on Saturday night give a gigantic jubilee, with the combined ladies', men's, and orchestral organizations, with a few simple musical numbers. All together, five thousand and singers and instrumentalists, and award the prizes. And a word of warning—make the prizes worth while. This can be given out of doors, the first year in the natural amphitheater in Verdugo Woodlands. Then for the crowning point of interest in this annual event, again let me say, "And a little child shall lead them." And let me emphasize this, for herein lies your heart interest. Your sentiment, your coloring, and your comedy. Here you will get your unlimited supply of new genius, your youthful enthusiasm, your courageous co-operation, and above all, your originality. Yes, a little child shall lead them or rather thousands of children. A crusade. A Children's Choral Crusade. Each night, just before the five contests, in the five different auditoriums, the Crusade will slowly wind its way through the heart of our city, which after all, is building for them their future, for the child of today is the citizen of tomorrow.

Would Be Climax.

Now, the plan is so simple. For example: take the High School and teach the songs of America in two and three part harmony, during the school year. Prepare the costumes and let them subfound an electric float, emblematic of our beloved country. With this riot of youth and beauty, accompanied by the music from a thousand childish throats, who would dare say it wasn't the noblest sight ever witnessed by mortal man? This naturally would be the climax in your Crusade. So precede "America" with the floats of the nations, surrounded by singing children; in the national costume of the nations; depicted such as England, France, Italy, Spain, India, Egypt, Japan, Turkey, China, and the Eskimo of Alaska, and the negro race of Africa.

The city of Glendale would thus create and produce A Children's Choral Crusade of All Nations, that would undoubtedly be the most beautiful, most dignified, and the most soul inspiring pageant the world has ever seen or heard. And our chil-

Glendale District Y. M. C. A. Prepares for Big Conference

RALPH G. COLE
of Los Angeles, state secretary of boys of the state Y.M.C.A. who spoke last night at meeting of board of directors of Glendale district Y.M.C.A.

Ralph G. Cole of Los Angeles, state secretary of boys of the Y. M. C. A. was the speaker last night at the meeting of the board of directors of the Glendale district Y. M. C. A. which met in the office of Rex C. Kelley, local secretary, and outlined the program of the state Christian calling conference to be held in Glendale March 25-26. This conference will be in charge of the state Y. M. C. A. committee, and the theme of the meeting will be "Lives of Great Men."

The local Y. M. C. A. directors include David Black, president, C. W. Ingledue, W. F. Tower, H. L. Finlay, J. S. Thompson and C. D. Lusby. In his talk, Mr. Cole told of the plans for the conference and what the state committee is expecting of the Glendale Y. M. C. A.

The main speaker at the conference will be George Gleason, who is the head of the Y. M. C. A. work in Japan and is in the United States now, having come with the Japanese delegation to the peace conference in Washington, acting in the capacity of an adviser. Mr. Gleason has attracted considerable attention recently by his book on "What Shall I Think About Japan?" but is going to talk on "What Led Me to Take Up Christian Work." He has taken the place which was occupied by Dr. Albert Leroy Shelton, who was killed recently in Tibet and who was the speaker at last year's Christian calling conference.

Other speakers will include Dr. Remson Dailois Bird, president of Occidental college, whose topic will be "The Fundamentals of Christian Teaching." Gustavus White, who, before the United States entered the war had charge of the welfare work with Germany's prisoners in Germany, and later continued the work, directing it from headquarters in Switzerland, will give the boys a broader view of Christian work, according to those in charge of the conference. Dr. Wilsey Martin, pastor of the Hollywood Methodist Episcopal church, will talk on "Great Men I Have Known in the Ministry."

The new general secretary of the Los Angeles Y. M. C. A., Harry Henderson, has chosen as his topic "Great Men I Have Known in the Ministry." Sam Southland, yella leader at Occidental college, will have charge of the singing.

The conference will start with a dinner at the Methodist church, which will also be attended by a few of the men from Glendale. These men will also assist on Sunday, March 26, in interviewing the delegates. The number of delegates to the conference is limited to 100, and there have been twelve assigned to Glendale. All of the delegates will be entertained in the homes here during the conference.

Ha! Bolsheviks to Stop Book Bilkers

LONDON—The Bolsheviks have begun to punish a class of offenders who contrive to escape the clutches of the law in most distressing persons who borrow books and do not return them. Two of them have recently been sentenced to seven and a half months' imprisonment by one of the people's courts at Moscow.

The report of the case, given by the Moscow Ivestia, quotes the president of the court as saying: "The People's court holds that the criminal dishonesty of some citizens about books ought to be rooted out."

Bucking A. E. F. Goat Sentenced to Death

LONDON—Billy, the goat mascot of the American troops stationed in Wiltshire during the war, is to die.

The dashing cavalry tactics which made him the idol of his war-time comrades have led to misunderstandings with small children on the road near the home of his peace-time master, Harold Jones, of Cherhill.

A policeman found the goat performing a war dance before four scared children and their mother, promptly arrested him, and requested his master to appear before the magistrate at Calne, where Mr. Jones was fined \$2 for allowing Billy to stray, and ordered to destroy him.

When a man says he has a perfect right to do a thing, he means that he knows he shouldn't do it.

NOTE: My next article will take up the question of finance, organization, and other essentials necessary for the successful production of Glendale's Annual May Music Festival and the Children's Choral Crusade.

IF KIDNEYS AND BLADDER BOTHER

Take Salts to Flush Kidneys and Neutralize Irritating Acids

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again. Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.—Advertisement.

Glendale Auto Paint And Top Shop Has Experts in Charge

The Glendale Auto Paint & Top Shop at 321 West Los Feliz road has been successfully established for two years where hundreds of local motorists have had their machines painted and trimmed to order.

The pleasure of the customer in the matter of color and design is paramount with the artisans at this place and they turn out nothing but first class work, thereby building a reputation which will redound in future orders.

At the present time this shop is well prepared to handle the work of local automobile owners and besides the proprietors three expert painters and trimmers are kept busy. Nothing will add more value to a machine on a bearish market than a fresh coat of paint, it is claimed.

G. H. McLean Back In Garage Business

G. H. McLean of 1531 South Central avenue is now back in the automobile business in Southern California.

Until a year ago he operated a garage on the northeast corner of San Fernando road and Central avenue.

His tenant, W. A. Evans, having given up his lease and gone to Montrose, Mr. McLean has now reopened his shop.

The Triangle Garage and Service Station is the name of this establishment and Mr. McLean will not only do first class repair work but will carry a line of Ford supplies, automobile accessories, tires, tubes, batteries and Mercury gasoline.

A number of improvements have been made in the premises including the installation of a plate glass window, the construction of a well arranged and attractive stock room, the laying of a new sidewalk and the plastering of the exterior of the adjoining building.

"People of Glendale can expect the same service and treatment which they received when I was in business here before," asserted Mr. McLean. "I can guarantee good workmanship."

GRILL'S BUSINESS GROWS

Business is so good at the Glendale Grill, 1413 South San Fernando Road, that J. L. Andrews, its new proprietor, is figuring on making extensive improvements this week. He expects to keep the door locked for about two days until the interior work is completed. Among other things, he expects to install a horse-shoe lunch counter. This will enable his assistants to give quicker and more efficient service.

PLANS FOR EASTER TRADE

Indications point towards a large business soon in Easter confectionery, according to Mrs. Agatha Lacombe of Laura's Chocolate shop, 1519 South San Fernando Road. She is making plans for a very attractive window display.

VISITS CATALINA ISLAND

Mrs. Ella Baldwin of 1517 South San Fernando Road spent the weekend on Catalina Island with her son and daughter-in-law, Mr. and Mrs. Ernest Baldwin. She reports many improvements at Avalon.

Self Service Plan Wins Customers for Market, Groceries

O. A. Gallup's Groceries at 1263 South Brand boulevard, which also houses J. S. Gann's meat market, has a little history back to its business that few people now residents of Glendale know. This was the business which formerly was known as the Tropico Mercantile company, one of the biggest delivery concerns of its day in the San Fernando valley.

Five years ago, however, Mr. Gallup became convinced that the self-service plan was the best and moving to a new location he established what was known for a time as the Tropico groceries in the vicinity of Cypress and Brand, now a junction point for the Pacific Electric bus and interurban lines.

A complete line of staple and fancy groceries, also candies, cigars and tobaccos are carried in stock. All goods are marked in plain figures, guaranteeing satisfaction, even when children are sent to do the buying.

STOCK BEING INCREASED

"We will have a regular department store here if we keep on," remarked C. L. Brenkman of Southern Glendale yesterday afternoon commenting upon the fact that his electrical appliance and toy store at 1524 South San Fernando road has now added a line of well displayed package candy, cigars and post cards.

A. J. SAUER IN BUSINESS

A. J. Sauer, who recently arrived in Southern Glendale from Yakima, Washington, has gone into partnership with his brother-in-law, George Stull, in the operation of the new and second hand furniture store at 1420 South San Fernando road. Mr. Sauer has finally decided to remain in southern California.

Mr. and Mrs. W. R. Letton a few days ago entertained Mr. and Mrs. Harry Botting of Porterville, who drove to Glendale in their Dodge. Mr. Letton is connected with the Bentley-Schoeneman Lumber company, 460 West Los Feliz Road.

WINDOW IS ATTRACTIVE

Many compliments are being received by H. R. Ross, Southern Glendale's optometrist and jeweler, for the appearance of his shop window at 1522 South San Fernando road. It contains a number of attractive items recently added to stock.

FRED FRY VISITS IN L. A.

Fred Fry of 1017 Melrose street, who assisted E. V. Brasher in the operation of the South Glendale Variety store at 1413 1/2 South San Fernando Road, was in Los Angeles yesterday.

E. R. BEST REPORTED ILL

E. R. Best is quite ill at his home, 1317 South Central avenue, and unable to take charge of the grocery department of A. E. Bradshaw's market at 1405 South San Fernando Road.

MOTOR TO SAN PEDRO

Mr. and Mrs. C. L. Brenkman of 1424 South San Fernando road, took their son, Roy Ellis, on a motor trip to San Pedro Sunday.

Ice Cream Samples Being Presented to Visitors at Brownie's

Brownie's place at 602 South San Fernando road, in the gateway district of the city, makes no idle boast when he says that he serves the best ice cream sodas in southern California. Yes, he will give a sample as proof of his statement, to every person who clips his advertisement from this page today and presents it at his refreshment stand.

That's a bargain you say and then get in a conversation with Mr. Brown, who established his place March 5, 1919, at 619 South Eastlake avenue, Los Angeles, and on November 1, 1921, he moved the whole business to its present location, and opened on November 2.

Besides his sanitary fountain service, you will find cigars, tobaccos, candies and lunches and a delicious ice cream is to be established later to accommodate motor camping parties passing through Glendale.

Brownie boasts of being a canteen steward in the United States army for about six years, having served five years in Troop A, Sixth U. S. cavalry, from 1907 to 1913. He put in two years in the recruiting service in the Los Angeles district and was with the First cavalry from 1916 to 1918 and during his last year in the service he was in the 85th field artillery.

Branch Agency for Chevrolet Is Opened

A branch agency for the Chevrolet has now been established in Southern Glendale by B. G. Jackson operator of the Gateway Garage and Auto Supply Station at 1600 South San Fernando road.

According to Mr. Jackson, recent improvement on the Chevrolet, including the utilization of spiral gears, spiral pinions, rocker arm silencers on the valve and the improved brake influenced him to make arrangements to handle this car.

Sunday he had a display model on the floor, but the sale of five cars at the agency of Tarr and Fish, 610 East Broadway, caused this car to be recalled. Mr. Jackson expects another one shortly.

MRS. W. H. MYERS IS ILL

Miss Hattie Myers of 1203 South Central avenue was unable to attend to her duties as cashier at the grocery of H. R. Owens & Son, 1402 South San Fernando road, yesterday on account of the illness of her mother, Mrs. W. H. Myers.

VISITORS TO SAN PEDRO

Robert Danner, proprietor of the Reliable Meat Market at 1402 South San Fernando road, wife and daughter, Miss Dorothy Danner, spent Sunday afternoon in San Pedro.

JACK SATOW AT RACES

Jack Satow, "the guarantee plumber," and wife, of 1513 1/2 South San Fernando road, motored to the races at the Speedway, Los Angeles.

MRS. T. B. REAVIS IS WELL

Mrs. T. B. Reavis of 1255 South Glendale avenue is now well again following a week's illness.

High School Board to Hear Suggestions
 Preliminary suggestions for the new high school plant will be submitted tonight to the high school board of trustees by Architect George M. Lindsey, 702 East Broadway, according to Principal George U. Moyse.
 In order to avoid the mistake made by other growing communities in southern California, Mr. Moyse declared the school board had given architectural instructions for the preparation of a plan which would fit the needs of an enrollment of three or four thousand pupils with the understanding that only a part of the plan should be utilized in the present building program.
 The question of the bond issue for funds with which to construct the new school is scheduled for discussion tonight, also.

The Sport Crucible
 By Davis J. Walsh
 International News Service Sports Editor
 NEW YORK, March 7.—The delegation of volunteer ball bearers gathered over the sad remains and after some deliberation, arrived at a conclusion, viz., to-wit., and as follows: That Harry Wills knocked out Kid Norfolk in a round Thursday night with a right uppercut to the point of the jaw.
 That Harry Wills knocked out Kid Norfolk with a right uppercut to the heart.
 That Kid Norfolk did not hit Kid Norfolk at all.
 That Kid Norfolk did what is inelegantly known as a "flop."
 Whatever the correct verdict may be, the bout proved nothing beyond the fact that Wills can beat Norfolk, and that undoubtedly there will be a black and white heavyweight championship fight between Wills and Jack Dempsey within a matter of months.
 On the strength of his record and the impressive manner of his victory last night, Wills has established himself as the best championship contender in sight.
 Few in the crowd actually saw the punch that beat Norfolk because it was shot during a clinch, with Referee McPartland trying to pry the men apart. The referee had just about loosened the grasp when Norfolk was seen to forsake the perpendicular by the simple expedient of kicking high in the air with both feet and landing on the back of his head.
 He stirred at the count of eight, started to get up at nine, finally reached one knee, but was still on the floor when the final stroke of the official arm came down.
 The punch, as the writer saw it, was a right uppercut landed on the jaw, even though McPartland himself is said to have decreed that such was the case.
 Be that as it may, the blow pushed Wills forward as the main heavyweight contender.
 SAN ANTONIO, Tex., March 7.—The signed contract of Emil Meusel, outfielder, and a telegram from Phil Douglas, a holdout pitcher, announced his intention of coming to the training camp, made the holdout situation of the New York Giants look more roseate today.
 AUGUSTA, Ga., March 7.—Felix weather, the first in two days, greeted the Tigers Friday and Ty Cobb immediately ordered his men in uniform to do a little limbering up, the first of the training session. All the youngsters, including Pitches Sylvester Johnston and Herman Pillette, secured from the coast, have reached camp.
 At the Training Camps
 TAMPA, Fla., March 7.—After a week's work, Captain Milan of the Nationals said today he was convinced he had the best crop of rookies of the American circuit. Milan is particularly sweet on Ray Francis, a Pacific coast pitcher.
 NEW ORLEANS, March 7.—With the arrival here of Aaron Ward, hold-out second baseman, it was reported a conference between Ward and Miller Huggins, manager, today is likely to result in the player coming to terms.
 CATALINA ISLAND, March 7.—Bill Killifer's Cubs are all in camp here today and intensive training is in full swing. The first five inning game between the "regulars" and the "rookies" will be played tomorrow. Pitcher Chas. and Shortstop Hollocher are on the hospital list.
 SEGUIN, Tex., March 7.—Holdouts are beginning to cause some concern in the camp of the White Sox. Dick Kerr, star southpaw, Catchers George Lees and "Yam" Yaryan have not appeared at camp.
 DALLAS, Tex., March 7.—Wintry breezes and chilling rains have kept the largest Cleveland Indian squad ever sent to training camp off the field ever since their arrival in Dallas.

COOKING IS GIVEN BLAME
 EAST LANSING, Mich.—One-third of all the workmen in the United States can't go to work every day because of poor health, and the blame lies with the American housewife, declared Miss Mary Sweeney, dean of the Department of Home Economics.
 "Only sixty-six per cent of all the wage earners between the ages of fifteen and sixty are able to finish an eight-hour day of work," says Miss Sweeney. "Of these six per cent are physically fit, according to medical science."

GREAT OUTDOORS IS WELL PICTURIZED; DOG IS HERO

"The Silent Call" Is Shown on T. D. & L. Screen; Breathes Of Welcome Spaces

To those who have been saying that the screen is surfeited with society stories, melodramas and other plots which reveal only a minor aspect of our modern life, it will be welcome news to hear of the story depicted in "The Silent Call." Adapted from "The Cross Pull," Hal G. Evarts' story which first appeared in the Saturday Evening Post, this photoplay breathes vibrantly of the great outdoors. Never before have the mountain fastnesses of the Sierras been translated onto the silver sheet in all their glorious magnificence as in this photoplay where they serve as the background for a tale of human and animal emotions. "The Silent Call," a Laurence Trimble-Jane Murfin production opened at the T. D. & L. theatre today.

Tale of Old West
It has this twofold story. The dramatic incidents in the lives of a group of humans, and the love story of a wonderful dog and a she wolf. These plots are connected by Strongheart, the dog, in whose heart there is the ever-present combat between the primitive instincts of the wolf and the love for man which has been implanted in him through his dog ancestry.

It is a tale of the golden days of the old West, where every man was a law unto himself except on those occasions where Fate intervened and moved the human chessmen about. In "The Silent Call" Fate's agent is Strongheart, the dog.

In addition to "The Silent Call," numerous timely short attractions will be presented, among them "Save Your Carfare," Kinograms and a special comedy, "Hokus Pokus."

Jobs for Girls in England Grow Less

LONDON — High-grade employment is becoming increasingly difficult for ambitious girls to get, according to a statement made by the Ministry of Labor.

"Banks and insurance companies," says the Secretary of the Ministry, "will only take girls as stenographers, though there are ambitious girls with a good education fit for better work than this."

"All the same, the only field for girls in England today lies in the wholesale and retail needlework trades."

"But even then, firms in these trades will only take girls ready to start at the lowest rung and work up."

"There should be plenty of scope in dress and millinery designing, and there are plenty of girls with originality and talent in these directions. But who ever hears of a famous woman designer? Men seem to have the monopoly entirely."

The name Asia signifies "in the middle" from the fact that ancient geographers thought it between Europe and Africa.
